

Café Akasa – Good for Customers, Good for Planet

Nutritious & Delicious

Healthy & High Quality

Good for planet

Café Akasa: Offerings

Akasa Air's buy-on-board meal service is available at Café Akasa - offering a wide choice of multi-cuisine, tasty and healthy meals, including festive meals and industry-first options, providing a unique and indulgent gourmet experience in the skies.

As an environmentally progressive airline, Akasa Air's packaging of perishable meals is ethically sourced from sustainably grown crops and served on board with stylish wooden cutlery that is biodegradable.

• **Healthy & Tasteful**

- Wide choice of meals, including unique and varied items such as farm-inspired, plant based nutritious meals
- Exclusively curated with reputed chefs from across India
- Prepared keeping nutrition, health and taste in mind
- Wide range of salads
- Low calorie meal options
- Healthy selections in non-perishable meal options such as juices and biscuits

• **Varied and Unique:**

- Assorted platter (Cold cuts, cheese, fruit)
- Pasta – Pour & Serve
- Vietnamese rice paper rolls
- Hot chocolate ready mix
- Sparkling water
- Non-alcoholic mocktails
- Quality fusion meal offerings are inspired by Indian cuisines and celebrations and cater to all taste buds

Café Akasa: Focus on Sustainable Packaging

- Packaging is 100% recyclable
- Paper used is ethically sourced from sustainably grown crops
- Made without any bleach or other optical brightening agents (OBA)
- FDA compliant for direct food contact
